Magic City Innovation District / Miami, FL

Magic City Innovation District has received the city's approval that enables the phased construction of 2,630 residential units, 432 hotel rooms, 2 million square feet of office space, and 350,000 square feet of retail.

Little Haiti is revitalizing to create a world-class destination, making Miami a walkable, campus-like neighborhood where individuals from diverse backgrounds can enjoy a quality life and help write the next chapter of history on how we live, work, play and learn together.

Little Haiti will serve as a new model for future innovation districts and real estate development worldwide.
