

VELLA GROUP

1 North Moore Street, New York City, NY

Situated at the corner of West Broadway and North Moore Street at the heart of Tribeca, the building is a ground-up residential project completed in 2011.

The 40,000 square feet, 9-story luxury condominium building is of masonry construction with a highly articulated brick façade, and full-floor apartments with direct elevator entry.

Designed by Flank Architecture, it comprises a triplex townhouse with its own private garage and rear yard; three full-floor, three-bedroom lofts; and a sprawling triplex penthouse with over 4,000 square feet of outdoor space and private rooftop pool.
